## Pride Plus Advantage CJ-4 15/40

---

**Description** Pride Plus Advantage CJ-4 15/40 Heavy Duty Engine Oil is a high quality, heavy-duty crankcase oil. Manufactured with top quality additive systems, this oil provides outstanding performance in diesel engines as well as current gasoline engines. Designed to effectively combat sludge and varnish formation.

- 
- Features**
- Superior detergent control of piston ring deposits.
  - Excellent fuel soot dispersancy and oxidation resistance.
  - Excellent wear protection.
  - Excellent high-temperature/high shear rate.
  - Excellent TBN retention.
  - Used specifically for engines using ULS Diesel.

- 
- Applications**
- Caterpillar ECF-3
  - Cummins CES 20081
  - Detroit Diesel 93K218
  - Ford M2C153-E; M2C171-B
  - GMC 6085M
  - Mack EO-M, EO-N Premium Plus 03
  - Mercedes 228.31
  - Mil-L-2104C, D
  - Navistar International
  - Volvo VDS-3
  - API Service - API CJ-4, CI-4 Plus, CI-4 / SL

<b>Typical Properties</b>	Material Code	661457008
	Gravity, ASTM D 4052, °API	29.0
	Pounds Per Gallon	7.4
	Flash Point, ASTM D 92, °C	225
	Viscosity, ASTM D 445, cSt at 40°C	114
	cSt at 100°C	15.0
	CCS Viscosity, ASTM D 5293, cP at -20°C	6400
	cP at -25°C	—
	Viscosity Index, ASTM D 2270	135
	Pour Point, ASTM D 97, °C	-27
	Color, ASTM D 1500	3.5
	API Service Categories (recommended)	CJ-4 / SL
	TBN	8
