SAE 10W-30 High Mileage Motor Oil

Description	Pride Plus Advantage High Mileage 10W-30 Motor Oil is high mileage premium Passenger Car Motor Oil (PCMO) formulated to provide protection for engines over 75,000 miles. It is blended from selected and highly refined base oils with additive chemistry to provide additional protection against excessive wear and corrosion, and reduced sludge and varnish deposits, associated with high mileage vehicles. This product contains a seal swell conditioner to aid in the prevention of oil leakage and the multi-grade feature assures performance over a wide temperature range.	
Applications	Recommended to meet the demands of automotive engines over 75,000 miles including those equipped with both superchargers and turbochargers, used in passenger cars and light trucks. This oil helps sustain the performance and life of older engines. High Mileage Premium PCMO meets API Classifications SL/CF, SJ, with back-compatibility to former API Classifications SH and SG.	
Typical Properties	SAE GRADE	
	Automotive	10W-30
	Viscosity, cSt	
	At 40 C	77.0
	At 100 C	11.4
	Viscosity Index	140
	Viscosity, cP max@-30C	---
	Viscosity, cP max @ -25C	7000
	Flash Point, (COC) Deg F	+405
	Pour Point, Deg F	-30
	Neut. No., TBN-E, ASTM D-2896	7.0
	Gravity, API @ 60 F	30.0
	Sulfated Ash, %wt.	<1.0

NOTE: The values are representative of current production and may vary within modest ranges.
